

VENDOR PARTNERS

The values of **Culture**, **Community**, **Commerce**, and **Care** will be implemented in the building through our selection of vendor and programming partners, community outreach, and architectural and design choices.

The Arcadium and its anchor tenants maintain deep commitments to ethical business practices, fair trade, and environmental standards. Arcadium SF vendor partners will be selected based on **mission alignment**, **brand identity**, **financial viability** and **commitment to principles** seen in our criteria scorecard:

CULTURAL RENEWAL	
Arts	Does this support the arts as a vehicle for social benefit?
Crossing socio-economic, cultural, regional boundaries	Does this promote an interaction between people from a diversity of neighborhoods, economic strata, social groups, identities, and cultural backgrounds?
Participation, Education, Interactivity	Does this vendor offer specific services that promote education or interactive experiences?
COMMUNITY ENGAGEMENT	
Internal Arcadium Vendor Community	Willingness and ability to participate in the community of vendors for public engagement, shared space, programs, and marketing
Neighborhood and City Community Engagement	Participate in and support community outreach events and programming to Bay Area neighborhoods
Gathering and Accessibility	Does the vendor's presence or service bring people together and foster community ties? Does the vendor address accessibility for their offerings?
HOLISTIC CARE	
Physical Health and Security	Does the vendor provide a service that cares for visitors' physical or financial wellbeing?
Emotional Health[1]	Does the vendor provide a service that supports visitors' individual or community emotional wellbeing?
Environmental Stewardship	Water use, composting program, organic/sustainable agricultural certification, green design and building practices
REGENERATIVE COMMERCE	
Operating History and Team	Renowned brand reputation, strong operating history, fiscal responsibility, ability to finance own space buildout
Organization Structure	B corp certified, non-profit, cooperative, local ownership
Regenerative Business Practices	Fair trade, local sourcing (BALLE), living wage, coworker benefits
